- **Keeping Our Faith Alive in 2025:** Today's Gospel tells us of the solemn moment when Our Divine Lord instituted the Sacrament of Penance. It was in the evening of Easter Sunday when Our Lord came to visit His Apostles. He allowed them to feel and see Him; He showed them that His hands, feet and side still bore their sacred wounds. He ate a broiled fish and a honeycomb as proof that this was indeed His real human Body that they saw. He then solemnly breathed the Holy Ghost into them, investing them with Divine authority, telling them that now any sin they would forgive would be forgiven by God. How grateful we should be that this Divine Sacrament, that we receive fairly often, has not lost any of its power or might since these first priests were thus empowered by Our Risen Lord and Savior!
